

# üGlo

The üGlo brand has been designed to epitomise modern sophistication and youthful vitality. Typography plays a crucial role in üGlo's visual identity, with the fonts offering a blend of boldness and refinement, ensuring readability and aesthetic appeal in all brand communications. The combination of brand colours project a balance of luxury and dynamism, aligning perfectly with the brand's mission to evoke Shine, Youth, Glow, Skin, Young, Happy, and Peace. The brand patterns featured are geometric and modern, further reinforcing üGlo's contemporary and stylish image.

The üGlo brand identity is intentionally diverse, facilitating a range of applications, from digital interfaces to physical products and promotional materials, showcasing the brand's versatility and adaptability in different contexts. The unique, cohesive and polished design language ensures that üGlo stands out in the competitive landscape of skin and beauty products, resonating with consumers who value both elegance and efficacy.

## Logo Construction

The logo features a custom sans-serif typeface designed to maintain perfect legibility across various applications, underscoring the brand's commitment to clarity and professionalism. The logo's unique "ü" character not only adds a distinctive touch but also embodies the brand's playful yet elegant essence. Allow plenty of white space in digital and print design, so the logo can breath.
